Traditional costume day to Celebrate Diwali & Eid

Fitness Week

Every week should be fitness week but next week at ISD will be something special. Every morning next week students across the school will take part in a variety of high energy, fun activities. Please come prepared for daily exercise sessions.

Meet our Staff

Profile: Helen Salmon

Teacher: Grade 2S

Place of Birth: Geelong,
Victoria, Australia

Embarrassing moment: Going into the men's toilets in Angola just after I arrived. The sign said "Homen" (Portuguese) and I was in such a hurry I thought it said "Women".

Quirky question: What is a monotreme?

Parent Workshop—Moodle

Our next PYP workshop is scheduled for 8:00 am Tuesday the 10th of November in the Primary IT Lab.

Moodle is a technology tool

that enhances the learning experience for students, improves teaching and further connects what is taught in the classroom with home.

Three Way Conference Wrap

A special thank you to the ISD community for your support of our Three Way Conference Day.

It was lovely to see all the families who were able to attend and contribute towards the development of students individual learning goals.

A special thank you to our staff who put a lot of additional time and effort into ensuring that the day was a success for all.

Principled People are Punctual People

During the last week the average number of students making it to school on time was 97.75%. This is a big improvement but we are still aiming for 100% punctuality.
