Embarrassing moment: To find out at the airport before check in that they spelt my name wrong on the ticket! They would let me on the plane (even with tears) I had to buy a whole new ticket! Not a good way to start a holiday.

Quirky question: If you could be any animal, what would you be and why?

Standardised Testing This Week

The grade 3, 4, and 5 students are participating in the University of New South Wales standardized testing this week. Students are being tested in the areas of English, Mathemat-

ics, Science, and Computer Skills. Please make sure your children are coming to school with plenty of rest in order to perform well on these tests!

Primary Swim Gala—24th November

On Tuesday, November 24, students in grades 1-5 will be participating in the Primary Swim Gala. The Swim Gala is an opportunity for students to show off their swimming skills, as well as have a wet and wild time with their teachers and classmates! Grades 1 and

2 students will be in the pool between 10:45 and 12:15, and grades 3, 4, and 5 will be in the pool from 1:00pm until 2:30. As parents, you are encouraged to attend this event and cheer on your child in his or her events!

Grade 3 Open Afternoon

Last week Grade 3 had their open afternoon where the students shared their understanding of their last unit of inquiry how we share the planet with their parents.

It was a highly successful afternoon. Students were engaged in sharing their learning about the kind of resources available to the village community, the way resources are used, distributed and shared and what action they can take up to make a difference in the way resources are currently used, distributed and shared in the world.

Here are some glimpses of the afternoon.

Principled People are Punctual People

During the last week the average number of students making it to school on time was 98% This is a

big improvement but we are still aiming for 100% punctuality.
