Grade 3 Ashulia Field Trip

As part of our 'Preparing to find out' stage in the inquiry process for our current Unit of Inquiry, 'Sharing the Planet' Grade 3 recently visited Berulia a village in Ashulia. Here the children conducted a survey to

find out what resources were available to the rural community in Bangladesh compared to the resources they use in the city. Children were amazed to see the limited amount of resources available and shared by the rural com-

munity. The trip was not only enjoyable, but it provided a wealth of information about the village life. If you are interested to find out more talk to our Grade 3 students.

Embarrassing moment: I once ended up at the wrong wedding on the wrong date and only realized it when the bride and groom entered the hall. The wedding I was meant to be attending was a week later.

Quirky question:

Why does the sun lighten your hair but darken your skin?

Principled People are Punctual People

During the last week the average number of students making it to school on time was 90%. This is a slight improvement on the previous weeks 88%, but we can do a lot better.
