Back to Work

Welcome back to everyone from what I hope was a relaxing and enjoyable break.

The next 12 weeks promises to be a very busy time as students

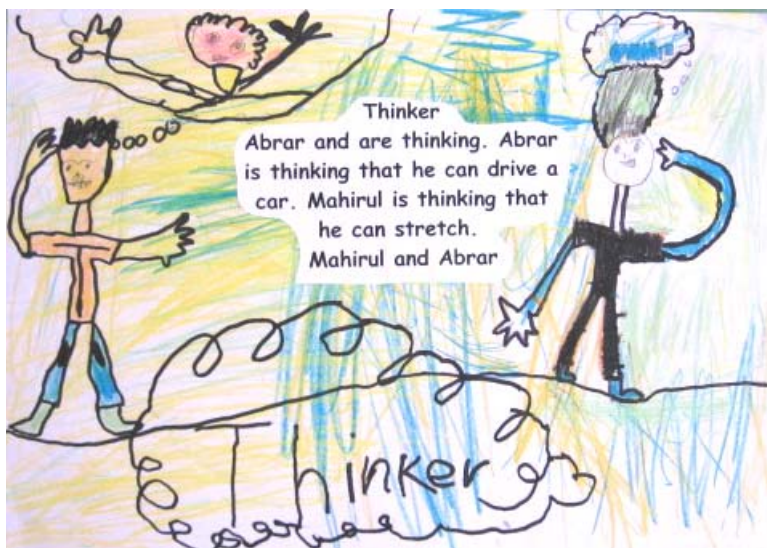

settle into a regular pattern of school routine.

Our Primary Newsletter, *Remarkable ISD* will continue to be distributed each Wednesday so please keep a look out

for your weekly reminders, important dates and pictures of your children hard at work.

Buddy Reading is a fun way to help people learn to read

Keeping this in mind Grade 3T and Pre KGA started their first Buddy Reading session this week. It was a great start, as students from both classes were seen fully involved either choosing their books with their buddies, reading aloud to their buddy, taking turns to read, choral reading or asking questions. One of the goals this year for each child in Grade 3T is to become a better reader alongside developing team work and becoming independent learners. We all believe 'Buddy Reading' will help provide an important time for students to discuss literature in a meaningful and natural way.
